The Director of Central Intelligence

Washington, D.C. 20505

National Intelligence Council

1 March 1985

NOTE FOR: Director of Central Intelligence

FROM: Hal Ford
National Intelligence Officer At LargeSUBJECT: Differences in Content Between 1 March Broader Worldwide
Briefing (WWBB) and the Previous DCI WWB Given to
Congressional Groups

1. Subtractions. As compared to the earlier WWB and in order to save space, the broader WWBB of 1 March has been shortened up particularly on those sections of the text which deal with Soviet policies (Ermarth), Soviet strategic weapons (Gershwin), and Soviet general purpose forces and Soviet global reach (G. Montgomery) -- plus lesser scattered shortenings elsewhere in the earlier 5 February WWB.

2. Additions. New elements* in the 1 March WWBB are:

- Slightly changed DCI introductory remarks (pp. 1 & 4 of 1 March WWBB).
- DCI's outlining of WWBB's content (pp. 5-6).
- International terrorism (pp. 29-32).
- Africa (pp. 41-43).
- East Asia (pp. 44-46).
- Europe (pp. 46-49).

* I have marked these in your text. I also attach, separately, a package of the new pages.
